Re: In re: PG&E Corporation and Pacific Gas and Electric Company – Case No. 19-30088

Dear Karen:

Enclosed please find our firm's fourth interim fee application in the above captioned cases, along with its exhibits and supporting certification. The Bankruptcy Court's *Guidelines for Compensation and Expense Reimbursement of Professionals and Trustees* provide that a debtor-in possession, a trustee, or an official committee must exercise reasonable business judgment in monitoring the fees and expenses of the estates' professionals. I invite you to discuss with me any objections, concerns or questions that you may have with the firm's fee request. The Office of the United States Trustee will also accept your comments. The Court will consider timely-filed objections by any party in interest at the time of hearing, which will take place at a time to be announced shortly.

Sincerely,

/s/ Cecily A. Dumas
